

# intermediate bedroom 3

fall 2008 by Polina Studio

[www.polinastudio.com](http://www.polinastudio.com)

- bed
- dresser
- 2 side tables
- floor lamp
- 2 window panels
- rug

**Total Price \$1,485.88**

Dark and solid furniture create very grounded feeling that is supported by light area rug that suspend it in the room. Silk texture of the window panels plays against the wood furniture and pronounced shape of the floor lamp.

**Color# bd6d5a**

- This color could be used for painting one wall to emphasize and frame the setting of the bed
- Also can be used in accents and small decorative items

**Designer's Notes**

Dark and solid furniture create very grounded feeling that is supported by light area rug that suspend it in the room. Silk texture of the window panels plays against the wood furniture and pronounced shape of the floor lamp. All suggested colors below might have slight variation to your liking and you don't have to use every suggested color. Don't forget, this is **your** home, **your** sanctuary.

**Basic Suggested Color Scheme**

**Dark Brown**

- This color is good to use for furniture, accents like window treatment, rugs and blankets.
- Too many items or extra large surfaces of this color might make the room to appear smaller and darker than it is.

**Color# 84bfcf**

- This color can be used for accents. It can be one of the colors in accessories like rugs, window treatment as well as bed linens to compliment dark brown accent.

**Bedroom#3 Design with optional wall color paint**

**Color# bde4c5**

- This color will too create a harmonious contrast with warm brown monochromatic pallet
- Can be used as accents in furniture or can be used as a wall paint instead of the first suggested Color# bd6d5a
